Health & Wellbeing at Work

AMA Projects & OzHelp Foundation Charity Golf Day

Registration and Sponsorship Prospectus
21 October 2021 - Federal Golf Club, ACT

OVERVIEW

AMA Projects are pleased to announce the OzHelp Foundation (OzHelp) as our charity partner for 2021. Health and wellbeing of employees is strongly valued within the culture of AMA Projects. To reinforce this commitment, throughout 2021 the AMA Projects team are raising much needed funds to support suicide prevention initiatives and health promotion programs led by OzHelp for Australia's most at risk workers for suicide.

Construction is one of the largest employer sectors throughout Australia, and one of the highest risk sectors for issues related to mental health. Workers in the construction industry are six times as likely to die by suicide than a workplace accident, and in the past 12 months, 21% of workers nationally have taken time off work due to mental-ill health.

OzHelp's suicide prevention initiatives and health promotion programs rely on fundraising and donations to further its work in reaching Australia's most at risk workers. Through this partnership, AMA Projects aims to reduce the stigma around mental ill-health, promote the benefits of health and wellbeing, encourage employees to look out for each other and to reach out if they need support.

We believe the partnership with OzHelp directly aligns with our company values and are excited at the opportunity to support a charity that does such fantastic work nationally to help support mentally healthy workplaces in Australia's high-risk industries.

WE INVITE YOU TO JOIN US FOR OUR ANNUAL CHARITY GOLF DAY.

ABOUT AMA PROJECTS

As a national leading provider of Construction and Project Management services, AMA Projects has been responsible for the delivery of over 500 projects, both domestically and internationally. We specialise in delivering projects in live operating and high security environments for private sector clients, education institutions and government departments. We have gained a reputation for delivering high quality construction projects, based on our ability to understand our client's objectives, and translating these into workable solutions.

ABOUT OZHELP FOUNDATION

OzHelp is a not-for-profit, leading provider of workplace wellbeing programs specialising in mental health and suicide prevention.

The funds raised from the Golf Day will contribute to the delivery of OzHelp's workplace programs, support and resources across high-risk workplace settings and industries such as construction, farming and agriculture and transport.
